

AQAR- 2017-2018

BEST PRACTICES

Practice I:

Title of the Practice: *To Undertake Student Welfare Measures*

Goal: The goal of Women's College is not only to motivate the students in pursuing their career but also to create awareness among them regarding health and hygiene, the environmental issues and the fast changing world so that they can grow up as healthy and competent women.

Context: The College is a grown-up institution covering the voyage of 54 golden years and is playing a pivotal role in disseminating higher education among the women of the state. But under the context of the competitive and challenging world, the college feels the responsibility to come up with more welfare measures for the students so that they can bloom with all their inner and hidden capabilities.

The Practice:

- i) Organizing invited talks, workshops, lectures; awareness programs have become regular activities of the college.
- ii) Faculties, NCC and NSS Units, have taken proper initiatives in organizing such programs.

Evidences of Success:

In the last one year, faculty members in association with other organizations arranged a number of programs which are listed below:

1. A three-day workshop on 'Machine Translation' was organised for the students jointly by the Department of English and CDAC, Kolkata from 21st to 23rd February, 2018.
2. Internal Quality Assurance Cell of Women's College organised a lecture on 'Cyber Laws-Recent Issues in India' which was delivered by Shri Shyamtanu Pal, Assistant Professor, School of Law, GD Goenka University, Gurgaon on 21st July, 2017.
3. A one -day training programme on 'Yoga and Mental Health' was organised by the Department of Physical Education on 21st June, 2018.
4. A one-day seminar on 'Women's Health and Hygiene' was organised jointly by Tripura Women's Commission and Women's College in 2018.
5. Science Forum of Women's College celebrated National Science Day on 28th February, 2018 and organised a lecture on 'Science and Technology for a Sustainable Future'. In the NSS Special Camp arranged in the college students were trained with the following skills:
 - i) Use of technology
 - ii) Basic Computer Skill
 - ii) Craftwork
 - iv) Career Counselling

- v) Self-Defence Techniques
6. Deworming Day was observed in the college on 18th January, 2018 where deworming medicines were distributed among the students.
 7. All individual departments arranged invited talks on relevant issues in the college at regular intervals. Several departments unveiled wall magazines through which students were able to exhibit their talents. Students of Education Department organised an exhibition with their handmade craftworks.
 8. Students attended a Skill Development Programme on 20th March, 2018 at SIPARD.

Problems encountered and resources required:

- . Constraints of fund in organizing such events
- . Inadequate number of faculties and supporting staff

Practice II:

Title of the Practice: *To Inculcate Social Bonding among the Students through Community Service*

Goal: Inculcating moral values, ethics and social responsibilities among the students in course of pertaining day to day education is one of the missions of Women's College. The Principal, faculties as well as the office staff work in a team spirit to ignite national feeling, communal harmony and brotherhood among the students.

Context: In the modern world of absurdity, where young minds are suffering with hopelessness and drudgery and the moral values are also seen decreasing, the need to implant the seeds of moral, ethical and social responsibilities among the students is the need of the hour. Women's College, being a premier institute catering to the needs of women students from every nook and corner of the state bears the responsibility of educating the students in nurturing moral and social values side by side their formal education.

The Practice:

- i) Students are encouraged to participate in community services such as conducting health awareness programs, cleanliness drives, spreading education among the mass in the slum areas.
- ii) Apart from giving the students quality education, the faculties work tirelessly to inject the virtue of wisdom, intellectuality and fellow-feeling among the students.

Evidences of Success:

1. NSS volunteers raised fund from teaching, non-teaching staff and students of Women's College to help the Kerala Flood victims which was subsequently deposited to State NSS Cell, Tripura.
2. NSS Volunteers adopted a village named Nutannagar and cleaned the filthy areas as a part of Swachh Bharat: Summer Internship Programme on 26th July, 2018.
3. Red Ribbon Club is existed in the College and an Awareness Programme on 'HIV/ AIDS' was organised in the college on 20th March by NSS and Red Ribbon Club in collaboration with Tripura State AIDS Control Society. Quiz competition and Extempore Speech Competition were

conducted among the students where a Running Trophy was given to the winner of the Speech Competition.

4. All important Days such as International Yoga Day, National Education Day, International Women's Day, National Science Day, International Youth Day, International Matribhasha Dibas, Birthdays of National figures were celebrated in the college with great fervour in order to sensitize the students to be responsive regarding the national and international issues. Two students attended the National Youth Day Program in Rajasthan in January, 2018.
5. A Blood Donation Camp was organised in the college jointly by NSS and NCC Units, Teachers' Council and Students' Union Council on 15th March, 2018. Students also participated and donated blood in other Blood Donation Camps organised outside the campus.

Problems encountered and resources required:

- . Fund-constraints in organizing such events
- . Inadequate number of supporting staff
